DOCUMENT CHECKLIST FOR BUY TO LET MORTGAGE APPLICATIONS

To help us process your clients' application quickly, here's a list of the minimum documents we require on receipt of the application

OUR TOP TIPS TO HELP SPEED UP YOUR APPLICATION

- ▶ Fully complete the application form and any required supplementary forms. Ensure these, plus the declarations are signed.
- ▶ All supporting documentation must be Intermediary Certified. You can certify the first page of each set of documentation if it's attached together.
- ▶ Missing or incorrect documentation can slow down our process and delay the application. Review any bank statements to ensure they agree with information on the application, for example in regards to financial commitments.

MORTGAGE(S)

- Buy to Let applicants are required to have an existing UK mortgage. We carry out an electronic credit check on all applicants which may show the performance of these. If this fails to show their existing mortgage(s), 12 months proof of conduct is required. To speed up our underwriting, you can provide this on submission.

TENANCY AGREEMENT

- A copy of the existing tenancy agreement.

OTHER ITEMS

BACKGROUND BUY TO LETS

- Evidence of rent being paid in and mortgage being paid out (bank statements may already cover this)

APPLICANTS WITH FOUR OR MORE MORTGAGED BUY TO LET PROPERTIES

SECTION EIGHT - ADDITIONAL INFORMATION

Please use this space to provide any additional information and continue on a separate sheet if necessary.

SECTION NINE – USE OF PERSONAL INFORMATION AND DECLARATIONS

This section explains some of the ways in which we will use the information you provide to us and which we obtain from third parties. For further details about how your information is used and your rights under data protection laws please see our leaflet “How We Use Personal Information”. If you do not understand any point, please ask for further information.

USE OF PERSONAL INFORMATION

1. We may contact third parties (including any past/present lender, bank, or other financial institution, employer, pension provider, accountant, landlord, professional adviser named on this form, HM Revenue & Customs or the Department for Work and Pensions) for reference purposes, for confirmation of employment details or to obtain information to confirm any income received and payments made. You give your permission to such third parties to supply the references and to answer the enquiries.
2. In order to process your application, we will perform credit and identity checks on you with a credit reference agency (“CRA”). To do this, we will supply your personal information to the CRA and they will give us information about you. This will include information from your mortgage application and about your financial situation and financial history. The CRA will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information.

We will use this information to:

- check your identity;
- assess your credit worthiness and whether you can afford the mortgage;
- verify the accuracy of the information you have provided to us;
- prevent criminal activity, fraud and money laundering; and
- trace and recover debts.

We will continue to exchange information about you with the CRA while you have a mortgage with us. This will include details of your repayments and whether you repay in full and on time. This information may be supplied to other organisations by the CRA.

When the CRA receives a credit search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share this information with them, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully requests with the CRAs to break that link.

The identities of the CRAs, and details of each of the three CRA’s websites can be found in our leaflet “How We Use Personal Information”. These websites explain in detail how your personal information will be used and shared by these CRAs, their data retention periods and your data protection rights with the CRAs.

3. We may ask you to supply one or more original documents as confirmation of your identity, address or both which we will use together with any electronic checks we may make using the services of a CRA. Any documents provided to us will be recorded and copied as part of our Anti-Money Laundering requirements.
4. **The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found in our leaflet “How We Use Personal Information”.**
5. We may disclose information relating to this application or the mortgage to other people and organisations, such as:
 - your legal adviser, broker or other intermediary and you authorise them to give us any information relevant to our decision to lend. To this extent, you agree to waive any claim to legal privilege to that information;
 - any chargor(s) or potential chargor(s) (or to their legal advisers);
 - any guarantor(s) or potential guarantor(s) (or to their legal advisers);
 - any occupier(s) or other person who is required to postpone rights in favour of the Society, to enable them to consider their position and/or to obtain independent legal advice;
 - any potential new borrower(s) (or their legal advisers) in connection with a transfer of equity;
 - any other lender which has a charge secured upon the property, subject to payment of the appropriate fee;
 - any insurance company from which we require an indemnity in relation to the mortgage.
6. We may monitor or record any communications you have with us in the interests of staff training, customer service and security.
7. Any personal information which you or others provide to us will be held on computer and in other manual and electronic forms and will be kept after your mortgage account is closed. Some of the ways the information may be used include:
 - to assist us in assessing your application and, if it is accepted, to assist us in providing the account or service for which you have applied;
 - to assist us in making credit decisions and establishing identity, where necessary;
 - for fraud prevention and detection and/or to prevent money laundering;
 - to assist the insurers in risk assessment and dealing with claims;
 - disclosure to third parties acting as our agent so long as they keep the information confidential;
 - marketing, market research, statistical analysis and general business purposes;
 - to help develop and improve the products and services offered to you and other customers. The Society may also share information with other companies within the National Counties Group to help provide you with a high standard of service (for example administrative purposes);
 - if the law permits it or it is in the public interest.

Under data protection law you have rights in relation to your personal information, including a right of access and to ask for any inaccurate details to be amended. If you have any questions about data protection law or your rights under it, please write to Freepost FAMILY BUILDING SOCIETY.
